THE ENCOUNTER THAT ENRICHES YOUR JOURNEY

Hospitality offer
Camplus in Turin
Camplus offers flexible and differentiated accommodation solutions, even for short stays. Through its three services - College, Apartments and Guest - it offers accommodation solutions for every need: merit colleges, residences and flats for university students and holiday homes, residences and guest houses for tourists and out-of-town workers.

Camplus, with more than 8,000 beds in 13 Italian cities and 1 Spanish city and more than 1,000 beds to be opened soon, is a leader in property management and in the design of 360° housing solutions, with a particular vocation for university student residences, and a pioneer in Italy in the field of social housing. Whatever housing solution you choose, Camplus is the reference point for hospitality and completeness of services.
Camplus is active in Turin with a wide range of Colleges of Merit, residences and flats located in strategic points of the city, in order to meet the needs of students, young professionals and travellers in a flexible manner.

A new residence with more than 300 places is scheduled to start operating in September 2021 in the north-eastern part of the city, for university students and young professionals, and a further 500 rooms are planned in two residences to be opened soon.

Camplus' well-established presence in the area has enabled it to forge important relationships with Turin’s universities, first and foremost the Politecnico di Torino, with which it has launched two important partnerships: those for the management of the "Carlo Mollino" university residence and the "Cesare Codegone" university residence.
